

Southern Scholarship Foundation Hawksley Presidential Scholarship

The George Hawksley Endowment Fund was created by George W. Hawksley in order that his generosity in life could support Southern Scholarship Foundation in perpetuity. Upon his death in 1996, his bequest helped build two scholarship houses at the University of Florida as well as establish an endowment. The endowment was created with two purposes; to provide low interest loans and/or scholarships for students living in a Foundation scholarship house and to provide an expansion fund that would allow Southern Scholarship Foundation to further its mission. SSF is proud to honor Mr. Hawksley's wishes by providing the **Hawksley Presidential Scholarship**.
